

# DISASTER PREVENTION WORKSHOP 2022

Making our evacuation shelters by ourselves

## 【Lecturer】

Emeritus Professor  
Specially-appointed Professor  
Deputy Director, Institute of Education,  
Research and Regional Cooperation  
for Crisis Management Shikoku

は せ が わ し ゅ う い ち し  
長谷川 修一氏  
Dr. Shuichi Hasegawa

It is possible there is nothing in the shelter when you evacuate. It would be great if we knew how to make an evacuation shelter by ourselves. It's important for international residents and Japanese people to know about cultural and lifestyle differences to build and maintain a good relationship.

Please bring an emergency carry bag prepared by yourself!

Let's learn what we need to prepare for a disaster

## 【Date】

Sunday 27th November 13:00—15:30

I-PAL  
Kagawa

Kagawa  
University

## 【Meeting place】
