Kagawa Disaster Prevention Festival

At the Kagawa Disaster Prevention Festival, you will be able to experience various aspects of disaster prevention. You will see fire engines and self-defense force vehicles.

We'll also participate in a workshop about weather disasters, earthquakes, and how to report disasters. (Joint lecture by Kagawa University and the Meteorological Agency)

Let's take part in the festival together!

Lecturer

Kagawa University Associate Professor
Faculty of Engineering and Design
Doctor of Informatics/Weather Forecaster

たけのうち けんすけ し
竹之内 健介 氏

Ph.D. Kensuke Takenouchi

International residents only / No age limit

Morning and afternoon courses are available
Please choose one or the other

We'll go to the venue by bus

Lunch can be purchased at the venue (Food trucks)
